

---

**Conference Short Name:**

CARBO31

The Organizing Committee of the CARBO-XXXI International Conference and the Association of Carbohydrate Chemists and Technologists (India) cordially invite academicians and researchers engaged in research & studies in various aspects of Carbohydrate Chemistry and Biology to participate in the conference.

**Thematic area of the conference**

1. Carbohydrates from Medicinal Plants
2. Carbohydrates in Synthesis of Useful Complex Compounds
3. Carbohydrate Based Biopolymers: Modifications and Applications
4. Glycobiology
5. Nucleic Acid Chemistry
6. Industrial Carbohydrates
7. Structural Carbohydrate Chemistry
8. Nutraceuticals and Complex Carbohydrates

**Conference Date:**

Mon Nov 14, 2016 - 09 : 00 am to Wed Nov 16, 2016 - 05 : 00 pm

**Conference Location:**

University of Delhi  
CONFERENCE CENTRE OPPOSITE DEPARTMENT OF BOTANY  
DELHI, Delhi 110007  
India
