International speakers

Name: Dr. Hyun Sung Kim

Designation: Professor

Affiliation: Kyungil University, South Korea

Specialization: Cyber Security, cryptography, VLSI, security protocols, network security and ubiquitous computing security.

Name: Dr. Ibrahim Venkat

Designation: Associate Professor

Affiliation: University Technology, [1] Brunei

Specialization: Pattern Recognition, Computational Intelligence, Algorithms and Signal, Image and Video processing.

Name: Dr. A Alphones

Designation: Professor

Affiliation: Nanyang Technological University, Singapore

Specialization: microwave photonics, wireless power transfer,visible light communication and positioning, and metamaterial based leaky wave antennas including multi band filters

National Speakers

Name: Dr. R. Gokulakrishnan

Designation: Additional Director / Scientist E

Affiliation: Software Technology Parks of India, GOI, India.

Specialization: MIS, Database Systems, Data Mining, Networking Systems & Cyber Security, Information Security, Historical Data Analysis and Nature based Algorithms

Name: Mr. Aravindhan Subramanian

Designation: Delivery Partner Executive,

Affiliation: IBM India, Chennai

Specialization: Software Engineering, Data Mining, Networking Systems & Cyber Security, Information Security
