Click the Booth No. / Stall No. / Seats No. you would like to purchase.

The floor plan shows a rectangular hall with a complex, irregular boundary. Along the top and bottom walls, there are two rows of numbered rectangular booths. The top row contains booths 1 through 12, and the bottom row contains booths 13 through 23. Booths 19 and 20 are slightly separated from the rest of the bottom row. On the right side of the hall, there is a large rectangular area separated by a dashed line, containing a grid of small squares representing seating. Above this seating area is a small rectangular structure with three circular openings. Below the floor plan, there is a text input field with the placeholder text "Selected Booth / Stall / Seats \*" and a "Proceed" button.
